

# FINANCIAL RESPONSIBILITY FORM

We have read and understand all rules and regulations addressed in the Financial/Fundraising Responsibilities and Information. We agree to abide by all of these policies set forth by the cheer sponsor, the coach, the athletic director, and the principal. We understand that we are responsible for all payments and expenses while part of the Bolton cheerleading team and that failure to make payments will result in the cheerleader being dismissed.

We understand the extensive cost of cheerleading and agree to pay for all cheer items on or before the deadline set forth by the cheer sponsor. We understand that any items not paid by the deadlines will not be given ordered or given.

We understand that should the cheerleader be dismissed or quit the squad, we are still responsible for paying for what was ordered and that there will be no refunds of any kind. Any money left in the cheerleader's account will be placed into the general account.

We understand the guidelines for fundraising, both individual and team. If we choose not to participate in team fundraising, we are still responsible for turning in the assigned amount of money. All members of the cheerleading team are required to participate in team fundraising.
